

VmCI-307® Powder

Corrosion Inhibiting Powder for Multi-Metals

PRODUCT DESCRIPTION

VmCI-307 Vapor multi-metal Corrosion Inhibitor powder protects both ferrous and non-ferrous metals from corrosion in recessed areas, interior cavities, and voids.

VmCI-307 provides an extremely efficient dry method to protect metals within an enclosed space. The VmCI vaporizes and adsorbs on all metal surfaces; reaching all exposed areas, including recessed sections and interior cavities.

FEATURES

- Does not contain silicates, phosphates, nitrites, or heavy metals
- Provides up to 24 months of continuous protection
- Creates monomolecular inhibiting layer
- Vapor phase inhibiting action protects inaccessible and recessed surfaces
- If VmCI layer is disturbed by moisture or opening the enclosed space, the layer is replenished by continuous vapor redeposition
- Little or no surface preparation is required
- Easy to apply
- VmCI layer does not need to be removed prior to processing or use
- Very easily removed by air gun or water
- VmCI layer does not interfere with operation of mechanical components
- Provides multimetal protection
- Meets MIL I-22110C

APPLICATIONS

- Bottom plate protection of above-ground petroleum storage tanks
- Tubular structures, pipes, and vessels
- Internal surfaces of compressors, turbines, engines, tanks, boilers, and heat exchangers
- Dry lay-up of closed circuit cooling systems
- Equipment protection after hydrostatic testing
- Cavities and void spaces on ships, barges, offshore platforms, sewage plants, dams, etc.

METHOD OF APPLICATION

Apply powder by dusting, fogging or sprinkling. After application simply cover, close, or seal the interior cavity or void.

Fogging is easily achieved with a low pressure air hose and sandblast cup. Large conventional sandblasting systems can also be used.

VmCI-307 can be easily removed by using a low pressure air gun or water rinse.

DOSAGE

Protects up to 1 ft³ (28 liter) per 0.3-0.5 oz. (8.4 - 14.2 g) of powder (300-500 g/m³) of interior space.

METALS PROTECTED

- Carbon steel
- Stainless steel
- Copper
- Brass
- Aluminum
- Cast iron
- Silver
- Galvanized steel
- Tinplate

TYPICAL PROPERTIES

Appearance	White to off-white powder
pH	6-7 (1% aqueous)
Solubility in Water at 20°C	<1%

PACKAGING AND STORAGE

VmCI-307 is available in 5 pound (2.3 kg), 50 pound (22.7 kg) and 100 pound (45.4 kg) lined drums. Store in a sealed container in a dry warehouse avoiding direct exposure to sunlight, with temperature not exceeding 150°F (65°C). Shelf life is up to 24 months.

FOR INDUSTRIAL USE ONLY
KEEP OUT OF REACH OF CHILDREN
KEEP CONTAINER TIGHTLY CLOSED
NOT FOR INTERNAL CONSUMPTION
CONSULT MATERIAL SAFETY DATA SHEET FOR MORE INFORMATION

LIMITED WARRANTY

All statements, technical information and recommendations contained herein are based on tests Cortec Corporation believes to be reliable, but the accuracy or completeness thereof is not guaranteed.

Cortec Corporation warrants Cortec® products will be free from defects when shipped to customer. Cortec Corporation's obligation under this warranty shall be limited to replacement of product that proves to be defective. To obtain replacement product under this warranty, the customer must notify Cortec Corporation of the claimed defect within six months after shipment of product to customer. All freight charges for replacement products shall be paid by customer.

Cortec Corporation shall have no liability for any injury, loss or damage arising out of the use of or the inability to use the products.

BEFORE USING, USER SHALL DETERMINE THE SUITABILITY OF THE PRODUCT FOR ITS INTENDED USE, AND USER ASSUMES ALL RISK AND LIABILITY WHATSOEVER IN CONNECTION THEREWITH. No representation or recommendation not contained herein shall have any force or effect unless in a written document signed by an officer of Cortec Corporation.

THE FOREGOING WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO CASE SHALL CORTEC CORPORATION BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
